HOW TO REACH THE BORSCHETTE CENTRE

? From Brussels Airport

Bus: Take Bus number 12 from the airport to the Schuman bus stop, located at the Schuman roundabout. This bus runs from the airport to the city centre approximately every twenty minutes. From the Schuman stop, walk down rue Froissart, cross rue Belliard and continue on the right-hand side for about 300 meters. The next large building after the Clinique Leopold is the Centre Borschette Center. Tickets cost around €5.00 and the bus journey will take 30-45 minutes.

Taxi: A taxi from the airport will take you about 15-25 minutes and will cost €20.00-25.00.

Train et Metro: Trains run from the airport to Brussels Central Station (Gare Centrale/Centraal Station) approximately every twenty minutes. Tickets cost around €5 and the journey will take around 25 minutes. Once you reach Central Station, you need to take the metro to the Schuman metro stop. A metro ticket costs €1.80. Take the metro line 1 in the direction of either Stockel/Stokkel or Herrmann-Debroux, for 5 stops. Get off at Schuman and leave the metro station via the Justus Lipsius exit. Arriving on top of the escalator, stay on the right-hand side (there is a little flower stall). Turn immediately to the right and you will find yourself on rue Froissart. Walk down rue Froissart, cross rue Belliard and continue on the right-hand side for about 300 meters. The next large building after the Clinique Leopold is the Borschette Centre.

? From Brussels South Train Station (Gare du Midi/Zuidstation)

Metro: A single journey metro tickets costs €1.80 and the journey by metro will take approximately 20-25 minutes.

Take the metro line 2 in the direction of Simonis for 6 stops. Get off at Arts-Loi/Kunst-Wet and change to line 1. Take this metro line in the direction of either Stockel/Stokkel or Herrmann-Debroux, for 2 more stops. Get off at Schuman and leave the metro station via the Justus Lipsius exit.

Taxi: A taxi to the Borschette Centre will take approximately 20-25 minutes and will cost €25.00-30.00.
